

WHAT'S ON TAP

KATAS Palomino (Manzanilla). Produced by Orleans Borbón. This fortified wine is from the Manzanilla Sanlúcar de Barrameda DO. Made with 100% Palomino grapes that were fortified to 15% ALC. This Manzanilla Sherry was created by 3 criaderas with an average of 5 years. The vines were planted in 1998 in Albariza soil at an elevation of 230 feet. This lightly golden wine races out of the glass with aromas of sea salt, hay, dried yellow apple, and lemon peel. And, it continues to open up with time in the glass. Flavors of apricot and other stone fruit. The well-placed but relaxed acidity gives the wine a pleasantly rounded mid-palate.
